Student Test Certification
for students enrolled in
Human Resource Management (HRPO 2301)
and/or
Special Topics in Human Resources (HRPO 1391)
(Workplace Law & Regulations for the Manager)

The following two paragraphs are to be inserted into each of your test answer sheets.

I hereby certify that I am taking this test with only the materials that the instructor has specifically allowed me to use. These materials include the course textbook and appropriate reference materials. Specifically excluded are assistance from any other person unless authorized by the instructor and any materials received from other individuals such as test copies or answer sheets from this or previous classes.

I acknowledge that the following work is my own. I also acknowledge that if I am found to have cheated or used any assistance not specifically allowed by the instructor, Alvin Community College has the right to remove me from the course and take the appropriate punitive measures.

Accept this statement by copying the above two paragraphs into the body of the email ahead of your test answers. If you fail to acknowledge this statement, this test will not be counted for a grade, and you may not be allowed to re-take this test.

Questions regarding this should be immediately directed to John Brau at 281-393-1100.
